The European Calcified Tissue Society is the major organisation in Europe for researchers and clinicians working in the field of calcified tissues and related fields. For almost 50 years the Society has acted as a forum for broad-ranging high quality research through its annual meetings and workshops. The Society's strength lies in its members and we invite you to join them. Membership is open to anyone working in the field at whatever stage in their career and from anywhere in the world.

## Benefits of joining the ECTS:

- Substantially reduced registration fee for ECTS congress
- Access to ECTS training courses
- Eligibility to apply for all ECTS grants and awards including:
  - ECTS Iain Boyle Award
  - ECTS Mike Horton Basic/Transitional Award
  - ECTS Phillipe Bordier Clinical Award
  - ECTS/Amgen Bone Biology Fellowship
  - Career Establishment Award
  - Exchange Scholarship Grants
  - PhD Studentships
  - Postdoctoral Fellowships
  - ECTS/Servier Fellowship
  - Travel and New Investigator Awards
- The option of being actively involved with the running and organisation of the ECTS and a chance to contribute to the development of the field of calcified tissues in Europe and beyond
- Access to on-line networking
